

See addition of fourth open house below

March 27, 2017

You are cordially invited to open houses for the community on the **Short North Parking Pilot**

The city of Columbus is continuing its initiative to evaluate and improve parking choices in the Short North. Consultants engaged residents and business owners to develop a comprehensive approach to parking management, supply and operation in the Short North. The City invites you to learn the results of the group's effort and next steps in the proposed pilot program.

Please plan to attend one of the open houses and offer comments and suggestions.
